Subject: Permission to Use Request

Dear AAUW,

I am a librarian with the Washington State Open Course Library Project. The purpose of this project is to design openly licensed courses that can be taught face-to-face, hybrid and/or online. These courses will be freely available on the internet for anyone to copy, modify and use. One of the purposes of this project is to offer educational resources to regions where formal educational opportunities are scarce or expensive. You can find more information about this project at the Open Course Library site at opencourselibrary.org.

One of our faculty teams who is creating a course entitled "Social Problems" would like to use "The 2012 Simple Truth about the Gender Pay Gap."

We are seeking your permission to distribute this material as part of our course. You will maintain your copyrights, but will be giving us permission to distribute this material for reuse as part of the teaching of this course. A full citation for the work will accompany it, as will a statement of copyright ownership and notice that the work cannot be distributed for reasons other than education.

Please contact me at qwest@tacomacc.edu or by telephone at 253-460-3936 with information about this request.

Thank you for your time and attention.

Regards,
Quill West
